There will be an informational panel discussion dealing with the H1N1 influenza at the University of Pittsburgh at Bradford. The panel discussion will be in the Mukaiyama University Room in the Commons Building at UPB at 7:30PM on 11/11/09. The purpose of the presentation is to give some basic education, help alleviate some fears-- and keep people from overwhelming our Doctors offices and the Hospital's Emergency Room. The panel will include Dr. Jill Owen, Dr. Richard Freeman, invited are the Pennsylvania Department of Health, and others. You are invited to attend and please pass this message along to others that may have an interest. If you have any questions please call or email.

Thank you
