Why You Should Be Concerned?

These scores provide you and our schools with information regarding the strengths and needs of each child.

- Our schools are judged by the success of our students. Their scores will determine eligibility for additional programs and incentives for our district.
- Their scores will be included on their official transcripts.

How Can You Help?

In the weeks preceding the tests:

- Write the dates of the tests on your calendar. Avoid scheduling appointments or trips during this time.
- Ask the teacher what you can do at home to review.
- To prepare your child for doing well on the tests, encourage them to Read, Read, Read!

Right Before The Test:

- Make sure your child gets a good night's sleep and eats a good breakfast.
- Make sure your child knows that it is important to do their best.
- Encourage your children to do their best!

If you have additional questions on these tests, please contact your child's Teacher.
