

**BRADFORD AREA SCHOOL DISTRICT**  
**Safety Committee Meeting**  
**April 13, 2010**

The monthly meeting of the Bradford Area School District Safety Committee was held in the Conference Room at the Administrative Complex.

Those in attendance: Bob South – Chair, Jon Hackett, Tim Housler, Gene Woodmansee, Sam Johnson and Charlotte Maley.

Bob South called the meeting to order.

The minutes from March 2010 were reviewed with a motion by Gene Woodmansee to adopt them as written. Sam Johnson seconded and the motion was carried.

**Agenda items:**

Old Business

Project Adventure still up in the air. Will assume all is well.

New inspection sheets for the second quarter were handed out and are due back by the end of June.

New Business

Bob South brought it to the attention of the committee that when there is a power outage, there are no emergency telephones. Not all custodians have cell phones and at GGB there is no service. All principals have an emergency telephone in their office which are locked and not always accessible. Sam will address Administrative Council on this as it is a safety issue. He will update the committee once he has had a chance to discuss it.

February – Reportables

- Bus Driver fell on ice, bruised left knee and lower back – no time loss – *According to Gene, the maintenance crew will be fixing the ice problem at the bus garage in June.*
- Teacher punched by student repeatedly on wrist – no time loss
- Teacher tripped on something in classroom, fell, broke thumb – 4 days off
- Teacher, moving mats in gym, strained back – 3 days off

Good of the Order

Sam Johnson asked us to brainstorm on how the Safety Committee can become more involved with the district. Charlotte Maley suggested sponsoring a blood drive. Tim Housler also suggested incorporating a bone marrow drive along with the blood drive. He will check who to contact and what is involved.
