

# BRADFORD AREA SCHOOL DISTRICT

## SAFETY COMMITTEE

### SUMMER NEWSLETTER 2010

As usual, this summer will be very busy throughout the District. Please follow building procedures when you are planning on visiting.

1. Call the building first. There is someone in the office all summer. Make sure it is permissible and safe to visit.
2. Always check in at the office when first arriving.
3. For their safety, please leave children at home.
4. Be cautious and respect work areas.
