FOR SOCIAL RESPONSIBILITY

Attention LatchKey Families:

Effective December 23, 2022 there will no longer be an afternoon and morning LatchKey Program. Since COVID, offering drop-in care services has become difficult within business models. The YMCA Child Care Center has three different plans offered at the Bradford Family YMCA to help still offer child care services for your child. Pre-registration is required. There is financial assistance through the YMCA for families that qualify. If you are in need of care after school only please contact Mary Campbell via email at MaryC@twintiersymca.org about the 21st Century Program. Below are the three most used plans however, if you need care less than these plans, there are other options available. Please contact me to discuss what your options for child care services are. If you have any questions or concerns please feel free to contact Kira Schine.

Plan	Services	Rate Per Week
Plan A	Every day before school only	\$67/Public \$58/YMCA Member
Plan B	Every day before school and includes snow days and holidays	\$94/Public \$84/YMCA Member
Plan C	Year Round- Every day before school, after school (on no 21 st Century Days), includes summer care, snow days, holidays plus 2 free vacation weeks.	\$116/Public \$108/YMCA Member
