Bradford Area High School
Contact Teachers

Parents must think of themselves as partners with teachers. They must connect as people sharing a common interest. Parents often say they only hear bad news from the school. Remember you don't have to wait for that dreaded phone call to get information or schedule a conference. A list of voice mail numbers for the BAHS staff follows.

Please dial 814-362-3845 and wait for the recording to come on. To leave a voice message, parents/guardians must dial * followed by the 4-digit voice mailbox number when prompted by the Auto-Attendant. You can also reach teachers and administrators by email. The email address is the person's initial of the first name, then the entire last name@bradfordareaschools.org. For example, to reach Mr. Coffman you would type kcoffman@bradfordareaschools.org. The Guidance Counselors prefer that you reach them through their voice mail.
